FUNDING SOURCES FUNDER EXPECTATIONS FUNDING SEARCHES

Presented by:

Veronica G. Chesbrough, Tampa Lighthouse for the Blind  
and Cindy Kane, GW Group LLC

This series of five workshops is for the beginning grant writer who has written one or two small grants, or for the aspiring grant writer who has yet to write that first proposal.

Learn how to identify funding sources and what to do prior to writing or developing a successful grant proposal, so that you can be in the best possible competitive position. This workshop also includes tips on how to approach the funding sources, budgeting, outcomes and a mock review.

*Hear what past participants are saying:*

“This course was very beneficial and easy to follow along. The mock review and interview by the grant panel was invaluable. Thank you!” *Annie Tyrell, Willa Carson Health Center*

“The individual review of our funding application by the peer and professional teams was invaluable. Our agency will be able to utilize this feedback immediately!” *Sandra Fernandez-Lopez, Housing and Education Alliance*
