

Volunteer Management Certificate Program Spring 2008

**United Way of Tampa Bay and Nonprofit Leadership Center of Tampa Bay
present the Volunteer Management Certificate Program**

This curriculum is produced by The Points of Light Foundation and offers comprehensive information on effective volunteer management. The six-session course is recommended for the following:

- Paid volunteer managers
- Program staff who supervise any volunteers
- Unpaid volunteer managers
- Faith-based organizations with volunteer programs
- Leaders of civic organizations

Our presenters bring over 100 years of practical volunteer management experience to course participants, sharing their passion and commitment for civic engagement.
