

TECHNOLOGY FOR NONPROFITS

TUESDAY, APRIL 29, 2008

featuring

JOHN ROLL, TECHNOLOGY CONSULTANT

John Roll

SESSION ONE

9:00 a.m. to 12:00 p.m.

Face your fears of technology and join John Roll for a lesson in the basics. Learn valuable technology terminology and discuss how its use impacts your organization. Gain the tools to understand your current technology configuration and how to ensure that your technology investments provide the maximum benefit to your organization.

SESSION TWO

1:00 p.m. to 4:00 p.m.

Need help choosing the right technology tools to manage your day-to-day work? What about choosing the right tools for managing your clients and programs? Does your financial system give you the information you need to manage your organization? Let John Roll provide you guidance through one of the largest expenditures that your agency will make. Learn about system architecture, application hosting options, software licensing options, and more.

Location

Girl Scouts of West Central Florida
5002 W. Lemon Street
Tampa, FL 33609
(818) 281-4475 for directions

Registration Fee: \$40.00 each session (Discount available if taking both sessions)

ABOUT THE PRESENTER

John Roll is a business technology consultant working with nonprofit organizations and for profit companies in the Tampa Bay area. John's professional background includes providing technology leadership for Progress Fuels Corporation, a subsidiary of Progress Energy Corporation. As a Technology Manager he was responsible for building and supporting technology infrastructure for Progress Fuels' subsidiary businesses across the U.S. He is currently BOD President and immediate past interim director of Florida Craftsmen, Inc., a statewide, nonprofit membership association of artists in Florida.
